Date of Order \_\_\_\_\_

**Customer Information:**

**name**

**full address**

**phone**

**email**

**approx. pickup date**

*This is very important since plants are consistently being propagated and sold. What is sold out one week is often replenished the following week or two. If you have some flexibility let us know.*

**additional notes or instructions**

- \$200 minimum order.
- We will promptly reply to you, via email, with what we can supply for the pickup /delivery date you provide.
- To confirm an order we require a 25% deposit - please call with a credit card or mail a check.
- Perennials are purchased in 38 cell plug trays of single species, 2" and 2.5" pots sold in increments of 16 pots, or quarts size pots in increments of 6, all single species.
- Please note: Most quarts are not produced until mid June and ready the end of July - mid August.

**Plant Wish List**

plant name (common or scientific)	container size	quantity	notes
